

المدرسة الأميركية الدولية في مصر - غرب  
AMERICAN INTERNATIONAL SCHOOL IN EGYPT - WEST

August 5, 2020

To Whom It May Concern,

It is with high regard that I submit this letter of recommendation on behalf of Mr. Patrick Blois.

I worked with Patrick at The American International School in Egypt during the 2019/2020 academic year. During this short time I witnessed him demonstrate a commitment and passion for serving the students of AIS.

While working with Patrick I directly observed his teaching in action. It was always evident that Patrick had a love for the teaching profession and a sincere interest in and concern for all students. His ability to work with students with a variety of learning abilities reflects his competence and potential as a superior teacher.

Patrick approached any and all aspects of the work involved with providing services to his students with eager anticipation. His lessons were always timely, thoughtful and rigorous. He was constantly willing to adjust any parts of his practice he thought could be improved.

In addition to teaching English, Patrick served as our Grade 6 Team Leader. Patrick was organized, patient and supportive of his colleagues in this role. Patrick was a mentor to all, especially during our transition to e-learning due to COVID-19.

I would re-hire Patrick in a second and I strongly recommend him for any school. I know, without any reservations, that he will do an outstanding job and become an asset to your institution. Should you desire further information, please contact me at

Sincerely,

Chelsea Armstrong  
Middle School Assistant Principal  
The American International School in Egypt
